**Host Families Needed:** MLHS will have 15 international students from China and Spain this coming school year and Host Families are needed. This is one-way MLHS carries out its mission in God’s Kingdom. We have an international mission field right here in our own backyard! In order to carry out this mission, it is important to have host families who are willing to love, care for, and share their faith with these international students. The international students’ families value the experience their children have in your homes and provide a substantial stipend to offset the costs of the experience with you. If you are interested in becoming a Host Family or learning more about this program, please contact Nathan King by email: [nking@mlhslancers.org](mailto:nking@mlhslancers.org) / Phone: (920) 682-0215 x 420.
