Micah and Christina, along with their newborn son, Asher, are preparing to move to Metro Manila in the Philippines as missionaries through the Friends Network. Micah and Christina will share about the history of Friends Network as well as their plans for their upcoming ministry, which is entirely funded by the gifts of generous supporters. They also invite you to receive updates on their ministry at FriendsNet.org/Ottos.

The MLHS “Sweet Corn Fest” is coming soon. The blessing of a Christian education is invaluable! The corn will be picked and ready for our congregation sometime between August 17th and August 31st. Grace members watch for the corn picking date and for sign-up sheets to help in fellowship hall. You can help make this happen for potential MLHS students. To date, the MLHS Academic Voucher Committee has awarded 2056 vouchers to students in grades 5-8 that participate in the MLHS Academic Fair. Each voucher is worth \$200 of tuition to Manitowoc Lutheran High School. This program has been around for over 15 years and much of the just over \$250,000 that has been awarded has been raised through the “Sweet Corn Fest” each summer. Thanks for your support in the past and we hope you make plans to participate in this great program.
